## *TECHSYS is recognized with Gold Partner Certification achievement from Microsoft*

Frisco, TX – December 1, 2006 - TECHSYS Business Solutions is pleased to announce it has further distinguished itself by attaining Microsoft Gold Partner Status. As a recognized Microsoft partner, TECHSYS Business Solutions has demonstrated its expertise with Microsoft technologies and the proven ability to meet our client's needs.

The current Microsoft Partner Program was launched in December 2003 and represents Microsoft's ongoing commitment to the success of partners worldwide. The program offers a single, integrated partnering framework that recognizes partner expertise, rewards the total impact that partners have in the technology marketplace, and delivers more value to help partner's businesses be successful.

Obtaining partner status opens a direct, collaborative relationship with Microsoft and allows TECHSYS to participate in a more active role in the partner community. As a result, additional services and information are now available to TECHSYS and can be taken advantage of to allow TECHSYS to better serve its clients.
